

HB-232 DRAFT changes to 4757-13-01 & 4757-13-07 of 4-15-14

House Bill 232 was signed into law on April 10, 2014 and goes into effect July 9, 2014.

HB-232 amended Section 4757.23 to read as follows for the educational requirements:

(B)(1) To be eligible for a license as a licensed professional counselor, an individual must meet the following requirements:

- (a) The individual must be of good moral character.
 - (b) The individual must hold from an accredited educational institution a graduate degree in counseling.
 - (c) The individual must complete a minimum of ninety quarter hours or sixty semester hours of graduate credit in counselor training acceptable to the committee, which the individual may complete while working toward receiving a graduate degree in counseling, or subsequent to receiving the degree, and which shall include training in the following areas:
 - (i) Clinical psychopathology, personality, and abnormal behavior;
 - (ii) Evaluation of mental and emotional disorders;
 - (iii) Diagnosis of mental and emotional disorders;
 - (iv) Methods of prevention, intervention, and treatment of mental and emotional disorders.
 - (d) The individual must pass an examination administered by the board for the purpose of determining ability to practice as a licensed professional counselor.
- (2) To meet the requirement of division (B)(1)(b) of this section, a graduate degree in counseling obtained from a mental health counseling program in this state after January 1, 2018, must be from a clinical mental health counseling program, clinical rehabilitation counseling program, or addiction counseling program accredited by the council for accreditation of counseling and related educational programs.
- (3) All of the following meet the educational requirements of division (B)(1)(c) of this section:
- (a) A clinical mental health counseling program accredited by the council for accreditation of counseling and related educational programs;
 - (b) Until January 1, 2018, a mental health counseling program accredited by the council for accreditation of counseling and related educational programs;
 - (c) A graduate degree in counseling issued by an institution in another state from a clinical mental health counseling program, a clinical rehabilitation counseling program, or an addiction counseling program that is accredited by the council for accreditation of counseling and related educational programs;
 - (d) Any other accredited counseling programs accepted by the board in accordance with rules adopted under division (F)(3) of this section.

(C) To be accepted by the committee for purposes of division (B) of this section, counselor training must include at least the following:

- (1) Instruction in human growth and development; counseling theory; counseling techniques; group dynamics, processing, and counseling; appraisal of individuals; research and evaluation; professional, legal, and ethical responsibilities; social and cultural foundations; and lifestyle and career development;
- (2) Participation in a supervised practicum and internship in counseling.

4757-13-01 Education requirements for admission to the examination for licensed professional counselor.

The requirements for licensure as a licensed professional counselor are ~~generally~~ set forth in sections 4757.22 and section 4757.23 of the Revised Code. Master's degrees from a clinical mental health counseling program, clinical rehabilitation counseling program, or addiction counseling program accredited by the council for accreditation of counseling and related educational programs "CACREP" shall be deemed to meet the requirements of this rule per division (B)(2) of section 4757.23 of the Revised Code. Applicants from other accredited programs shall meet the following standards.

HB-232 DRAFT changes to 4757-13-01 & 4757-13-07 of 4-15-14

(A) Pertaining to the educational requirements, a "graduate degree in counseling" means a degree that meets all of the following criteria:

- (1) The degree and/or the official transcript of course work shall clearly indicate that the degree awarded is a degree in counseling. Graduate degrees in other human service areas such as psychology, social work and marriage and family therapy are not considered degrees in counseling.
- (2) The program shall be clearly identified as a counseling program. Such a program shall specify in pertinent institutional catalogues and brochures its intent to educate and train professional counselors.
- (3) The counseling program shall stand as a recognizable organizational entity within the institution and have a counseling faculty who identify with the counseling profession.
- (4) The counseling program shall be an organized sequence of study that includes at least one graduate course in each of the following eleven areas of counselor training.
 - (a) Counseling theory: Includes a study of basic theories, principles of counseling and philosophical bases of the helping relationship;
 - (b) Counseling techniques: Includes individual counseling practices, methods, facilitative skills, and the application of these skills;
 - (c) Practicum: includes a supervised training experience, acceptable to the board, consisting of the provision of counseling to bona fide clients, and/or groups seeking services from counselors.
 - (i) A practicum consists no less than one hundred hours of which forty hours are direct service that conforms to current "Council for Accreditation of Counseling and Related Educational Programs" "CACREP" 2009 standards for the required number of practicum hours, if those standards exceed one hundred hours.
 - (ii) Students, who have not completed their master's degree requirements prior to September 30, 1997, and have been enrolled in a practicum of less than one hundred hours prior to September 30, 1997, may use that course to fulfill the practicum requirement.
 - (d) Internship: Includes an on-the-job experience in professional counseling acceptable to the board.
 - (i) The supervised internship shall be no less than six hundred hours of which two hundred forty hours shall be in direct services, which include the diagnosis and treatment of mental and emotional disorders and conditions.
 - (ii) Students who have not completed their master's degree requirements by September, 30, 1997, who have begun an internship of less than six hundred hours prior to September 30, 1997, may use that internship experience to fulfill the internship requirement. Any internship begun after September 30, 1997, shall comply with the requirements in paragraph (A)(4)(d)(i) of this rule.
 - (iii) First time applicants who are intending to use the internship experience to meet the educational requirements of the board shall document their internship experience on a form prescribed by the board. The form shall be completed by the supervisor or supervisors and shall document the student's competency in all areas designated on the form. The form shall be completed and submitted by the student within thirty days of the successful completion of the internship.
 - (e) Human growth and development: Includes studies that provide a broad understanding of the nature and needs of individuals at all developmental levels. Emphasis is placed on psychological, sociological, and physiological approaches, human behavior, (normal and abnormal), personality theory, and learning theory.

HB-232 DRAFT changes to 4757-13-01 & 4757-13-07 of 4-15-14

- (f) Social and cultural foundations: Includes studies of change, ethnic groups, subcultures, changing roles of women, sexism, racism, ethnocentrism, urban and rural societies, population patterns, cultural mores, use of leisure time, and differing life patterns.
 - (g) Group dynamics, processing and counseling: includes the study of group dynamics, group processes, practices and methods of group counseling, supervised practice, supervised facilitative skills, and theory and types of groups.
 - (h) Life-style and career development: includes vocational-choice theory, relationship of career choice to life-style, sources of occupational and educational information, approaches to career decision-making processes, and career development exploration techniques.
 - (i) Appraisal of the individual through: testing includes the development of a framework for understanding the individual, methods of data-gathering and interpretation, case study approaches, individual and group psychological and educational testing and the study of individual differences with consideration of ethnic, cultural and gender factors.
 - (j) Research and evaluation: Includes statistics, research design, the development of research and demonstration proposals, as well as the development and evaluation of program objectives.
 - (k) Professional, legal, and ethical: includes the study of professional counseling organizations, codes of ethics, legal considerations, standards of preparation, certification and licensure including the Ohio licensure law, and the professional role identity of counselors.
- (5) In addition, either as a part of the applicant's master degree or after the award of the degree, ~~a minimum of thirty quarter hours, or twenty semester hours,~~ coursework shall include training in the following areas of instruction acceptable to the board and represented by at least one graduate course in each of the following areas:
- (a) Clinical psychopathology, personality, and abnormal behavior: includes the study of abnormal behavior, personality disorders, and psychopathological conditions specific to developmental phases throughout the life span, and their application to counseling practice.
 - (b) Evaluation of mental and emotional status: includes the use of assessment procedures in diagnosis and treatment planning. Focuses on the administering and interpreting individual and group standardized tests of mental ability, and personality and measurement.
 - (c) Diagnosis of mental and emotional disorders: includes the appropriate use of the current edition of the "Diagnostic and Statistical Manual for Mental Disorders", and an understanding of the "International Classification of Diseases". Focuses on conducting mental status examinations, and on the development and recognition of a framework for identifying symptomology, etiology and psychodynamics of mental and emotional disorders.
 - (d) Methods of intervention and prevention of mental and emotional disorders: includes studies of the:
 - (i) Psychological and educational methods of intervention, such as client-centered, psychoanalytic, hypnotherapy, rational-emotive therapy, and reality therapy.
 - (ii) Culturally sensitive intervention techniques used with diverse populations such as minorities, children, substance abusers, gay and lesbian individuals and individuals who are physically or mentally challenged.
 - (iii) Intervention strategies used in different situations such as marriage and family problems, crisis situations, bereavement, sex therapy, rehabilitation, child abuse and multicultural counseling.
 - (e) Treatment of mental and emotional disorders: includes developing and implementing a treatment plan, reporting and assessing progress of treatment, appropriate referral procedures, formulation of timelines for treatment and knowing the effect on client behavior and the interaction of psychotropic medications and mood altering chemicals in the treatment of mental and emotional disorders.

HB-232 DRAFT changes to 4757-13-01 & 4757-13-07 of 4-15-14

- B. Applicants who are denied admission to the examination shall be afforded an opportunity for a hearing pursuant to Chapter 119. of the Revised Code.
- C. Program requirements for counseling programs are defined in rule 4757-13-07 of the Administrative Code. Applicants from approved programs shall be considered to have met the educational requirements of this rule.

4757-13-07 Counselor program approval.

(A) This rule establishes the requirements for an Ohio college or university counselor program accredited by the Ohio board of regents seeking pre-approval that its program meets the requirements of rule 4757-13-01 of the Administrative Code. All Ohio programs are required to be council for accreditation of counseling and related programs "CACREP" clinical mental health program, clinical rehabilitation counseling program, or addiction counseling program accredited by January 1, 2018; and if so accredited are deemed to be approved programs per division (B)(2) of section 4757.23 of the Revised Code. University or college counseling programs prior to January 1, 2018 applying for preapproval shall meet the following criteria.

- (1) Programs that are council for accreditation of counseling and related educational programs, "CACREP", accredited in community or mental health counseling shall submit documentation that they are in the process of obtaining a clinical mental health accreditation from CACREP and submit course numbers and descriptions showing which courses meet the requirements of paragraphs (A)(4) and (A)(5) of rule 4757-13-01 of the Administrative Code; or
 - (2) Programs that are not "CACREP" accredited in community or mental health counseling shall provide documentation that they are in the process of obtaining CACREP accreditation and submit course numbers and descriptions showing which courses meet the requirements of paragraphs (A)(4) and (A)(5) of rule 4757-13-01 of the Administrative Code. ~~document how they address the items in the remainder of the Board's approval application.~~
- (B) Programs that are CACREP accredited in clinical mental health, clinical rehabilitation counseling program, or addiction counseling program are deemed to have met the requirements and shall be verified by the CACREP website or copy of the approval letter from CACREP sent to the board by the program. Programs not CACREP accredited shall apply on forms provided by the board to document meeting the conditions specified in paragraph (A) of this rule and paragraph (A) of rule 4757-13-01 of the Administrative Code.

- (1) Initial applications for non CACREP accredited programs shall be approved through January 1, 2018 for five years.
- (2) ~~Renewals shall be approved for five years and renewed each five years.~~
- (3) (2) Application forms shall require the following additional detail.
 - (a) Title of degrees offered;
 - (b) Sample transcripts that show degree titles and major;
 - (c) Copy of catalogs and brochures for the programs offered;
 - (d) Number of semester or quarter hours in their program for each degree listed;
 - (e) Listing of each course that meets the required coursework in paragraphs (A)(4) and (A)(5) of rule 4757-13-01 of the Administrative Code;
 - (f) Non "CACREP" accredited programs shall complete all application questions on the board's form; and
 - (g) Other minor information required by the board approved form.
- (4) ~~Applicants from approved programs shall be considered to have met all requirements of paragraph (A) of rule 4757-13-01 of the Administrative Code.~~
- (5) ~~Applicants with graduate degrees in counseling from programs not approved by this board shall submit written evidence that their degree program and any additional coursework meet all the~~

HB-232 DRAFT changes to 4757-13-01 & 4757-13-07 of 4-15-14

criteria for a graduate degree in counseling set forth in paragraph (A) of rule 4757-13-01 of the Administrative Code.

~~(6)~~(3) Programs resident outside of Ohio are not eligible for pre-approval under this rule.

(C) Supervision of students shall meet the requirements established in "CACREP" accreditation standards for ~~community or mental health~~ [clinical mental health](#) counseling programs, [clinical rehabilitation counseling programs, or addiction counseling programs](#). Students registered as counselor trainees with the board shall further meet supervision requirements per rule 4757-17-01 of the Administrative Code. The accreditation standards require face-to-face individual or triadic supervision of students. "Triadic" means one supervisor and two supervisees.
